[REDACTED] Comments.

- (1) The troop train on 26 August 1952 from Dallgow-Doeberitz carried a tank unit of the 1st Mecz Div and was observed [REDACTED] 25X1
- [REDACTED] The two troop trains from Dallgow-Doeberitz on 27 and 28 August probably also carried components of the 1st Mecz Div. The troop trains from Templin, Moustrelitz and Eberswalde have not been identified.
- (2) On 26 August 1952, [REDACTED] a troop train with a component of the 12th Gds Tank Div passing through the Justerbog railroad station toward Forst Zinna, and the entraining of troops, probably of the same unit, at the Forst Zinna railroad station on 28 August 1952. [REDACTED] 25X1
- The information reported in paragraph 2 of the present report confirms the observations in the reference report.
- (3) The two troop trains from Altengrabow probably carried the same components of the 1st AAA Div to their home stations which had moved to Altengrabow for field practices on 29 July and 13 August 1952. [REDACTED] 25X1
- (4) [REDACTED] troop trains within Eastern Germany; therefore, it is unusual that the train with shipment-record [REDACTED] have carried ammunition.
